... Experimenting

... the power of human thought is not regarded lightly at Southeast. It is held with reverence and awe; its mysteries elude the most scholarly. May the ideas stimulate the mind and stir the inner soul.

Spartan World

... Learning

... unlocks the doors of tomorrow with the keys we make today. Southeast's new modern facilities bring us closer to the truths in life.

. . . Participating

... we join together, we win and lose, and as one student body we aim for the goals that lie before us.

Sparkles With Many Facets

The Southeast Spartans derive their name from the ancient Greek inhabitants of the city of Sparta. The world of the ancient Greek Spartan was one of struggle for achievement and recognition in a thriving world in the mists of discovery, experimentation and learning.

They were noted for their physical strength and skill, as well as for their determination to lead as an outstanding city. They were taught to endure hardships through strength of character and physical prowess.

Much as the ancient Spartan of Sparta, the world of the Spartan of Southeast High School revolves in the dawn of a new age. An age uniquely challenged with discovery, experimentation and learning.

The 1968 Spartan will dwell in the sphere of Southeast for a limited time. He will question what it means to have strength of character, mind, body, and soul through the many facets of the world of the Spartan.

1968 Spartan Dedicated to

As we Spartans look back throughout the years,
Our hearts and eyes fill with memory's tears.
We remember the first exciting day in the seventh grade,
Half self-assured and half afraid.

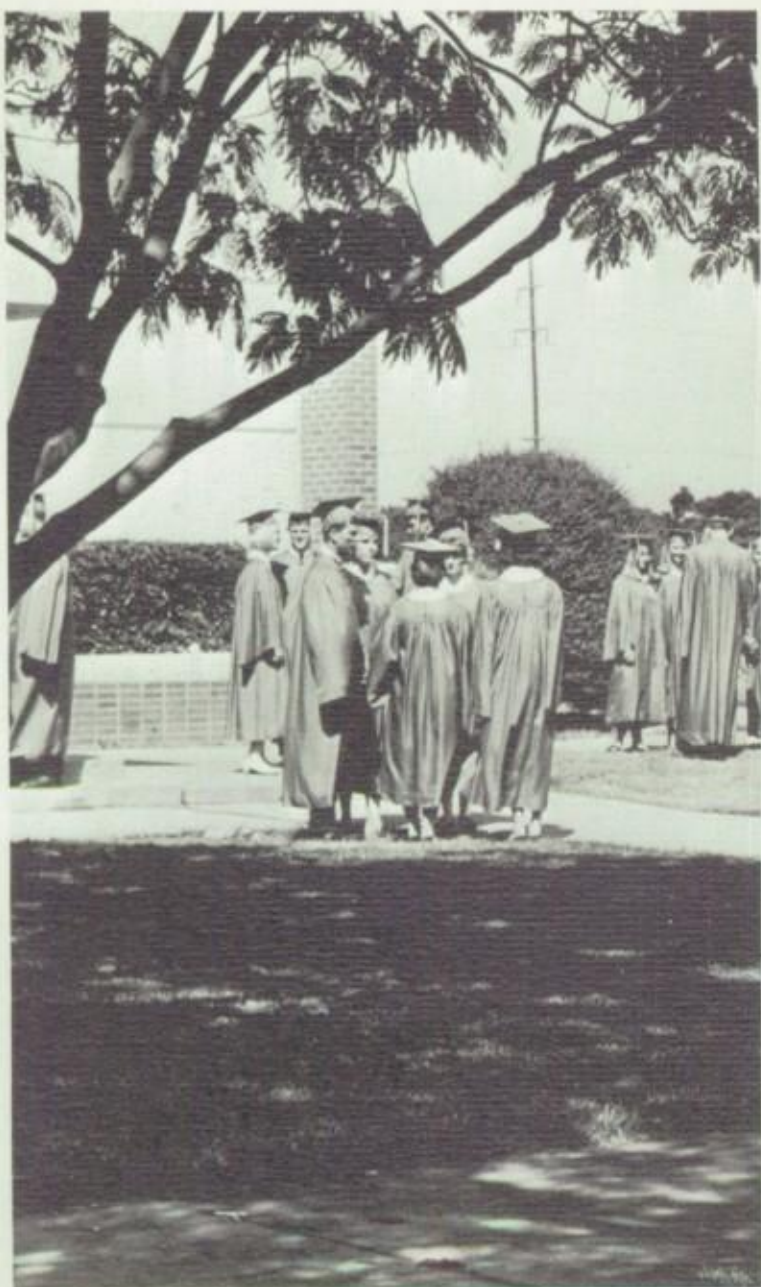

We were full-pledged Spartans at any cost,
But we seventh grade Spartans kept getting lost.
Our junior high years were really fun,
But our Spartan lives had just begun.

We've learned how to adjust through the years,
Even to upper-classmen and their superior jeers.
We had pride in our Spartan fame,
And school spirit was always our special claim.
Our upper-class years were the best of all,
And our memories of these we'll always recall:
Getting ready for the Grant games with the spirit bonfires,
Working and sweating on our beloved Satires,
Having snake dances out on the lawn,
And staying out on prom night til almost dawn.

We remember teachers, classes, and old friends' names,
And the wild excitement of all the games:

"We're the class of '68'
We're the ones that really rate."

We recall those big term exams,
The parking lot, and traffic jams.
The sports teams that worked and made us proud,
The pep clubs that supported them and yelled so loud,
Our prize-winning loyal Spartan band,
And the huge crowds of Spartan fans that filled the
grandstands,
The special girl, that certain boy,
The thrill of first love and all its joy.
Along with the good we remember the bad,
The little and big things that made us so sad,
Losing an important game that meant so much,
Fighting with sweethearts and friends and such,
Cramming for six big tests to be given in one day,
And finding when grades come out it just doesn't pay,
Having something happen to your dress on prom night,
And finding your dress pants are entirely too tight.
We remember the death—like gloom in the halls that day,
November 23, the day he was assassinated—J. F. K.

Seniors' Sixth Year at Southeast

We never forget our friends in the Vietnam war.
 And we think of them, now, even more than before.
 But in the Spartan world there were more good times had
 And for this we Seniors are certainly glad:
 The campaigns and posters of all the elections,
 The hushed excitement listening to our new sections,
 The rush to prepare for homecoming night,
 The decorations in our colors—blue and white,
 Working and slaving on speech and debates,
 And the rewards of finally taking State.
 The dilemma of decorating the big goal post,
 Dancing with the person you like the most,
 Finding out you have been chosen a royalty.
 These fond Spartan memories will all be kept,
 But what we learned here we won't forget.
 We got much more than a book education,
 We learned the meaning of patience, work, and dedication.
 Our teachers and counselors also gave us guidance to grow,
 We'll remember that and much more long after we go.
 What we learned is the meaning of love, friendship, truth

and trust,
 Happiness, thought, and belief in a cause that's just.
 We also learned to recognize and cope with the cruelties of
 the adult world,
 And now before us our lives are unfurled.
 In the future we'll look back and recall,
 Thanking Southeast for teaching us "life" over all.
 And now as Seniors we've come to the end of this road,
 We'll put down this bundle and pick up a new load.
 As each of us dons a cap and a gown,
 We suddenly realize we'll miss being around.
 Many people we've known since our Spartan days began,
 We'll leave and we know we won't see them again.
 Our Spartan friends are one of a kind though,
 And we'll take them with us wherever we go.
 As our Spartan life here at Southeast ends,
 We leave you here to learn as we did, friends,
 Now our Spartan world we leave behind,
 A brand new world is ours to find.

MOST SCHOOL SPIRIT
Louise Manuel and Jimmy Briscoe

Seniors began their final year within the world of the Spartans with eager anticipation. They were awaiting challenges to meet, awards to garner, friends to discover and memories to accumulate. They cheered the Southeast teams on, and mingled satisfaction with disappointment. Senior girls battled faculty women in a basketball game to raise money for Toys for Tots, class members suffered through ACT tests and job applications. Prom preparations were excitedly discussed and finals apprehensively faced. Spartan seniors laughed at the all-school play "Come Blow Your Horn," and selected senior favorites. They were determined to make the 1968 class the class "that was."

Spartan World Closes May 29

TOMMY STOKES

Hard work, a lot of planning, cooperation, and organization are a few of the qualities needed to lead the Junior Class. Vice president Deanna Ballard, President Jay Reagan, Secretary Karen Boyd, head sponsor Mrs. Imogene Berry and Treasurer Sue Streetman were busy organizing a money raising project.

Juniors

Junior World Begins With Quest for Knowledge

Sherry Glenn and Bobby Bateman view the world with a quest for knowledge.

The year 1967-68 started out great for the Junior Class.

Class officers were elected early in the year. Their leadership, along with many hours of hard work and worry by other class members and junior class sponsor Mrs. Imogene Berry, provided Southeast with the best Prom yet. The theme of the prom this year was THE SWEETHEART TREE. The decorations were made by fourteen juniors on the decorating committee, which was headed by Denise Davidson and sponsored by Mrs. Mary Nokes. The money for the prom was raised by sponsoring the homecoming dance, selling Southeast stationery and tickets to the motion picture, **The Young Americans**.

Miss Sherry Anderson, also a junior class sponsor, helped with the sale of Southeast stationery.

Juniors took an active part in everything that Southeast had to offer. This ranged from sports competition to high scholastic achievements.

The following pages are filled with memories of joy, excitement, concentration, and disappointments that made this year worth living.

Sophomores Open Year With Spirit

Sophomore class members earned the tag of "most spirited" with their lusty yells at Spartan games. It was a year of headaches over driver's tests and STEP test examinations. With the freshman year behind them, Sophomores started the year with the sophistication of second-year Spartans. They took an active part in band and choir—earning awards and honor society status. Many received the coveted driver's license, to add wheels to the wings they acquired as enthusiastic Spartans. Sports activities found sophomores gaining momentum as key players on the various teams. Hardly before they could realize it—sophomores had moved from the rank of underclassmen to upper-classmen within the Spartan World.

Joe Smart, Sherri Finley, Travis Brown, Mike Haragan, Jeannie Cox and Rocky Harris showed the enthusiasm that most sophomores display during the football season.

Underclassmen Begin

From the panic feeling of being in the wrong room at the wrong hour to the realization that the sophomore year is just around the corner, freshmen grew to full-fledged Spartans. At first the Spartan world seemed a maze of corridors with excitement around every corner. Gradually as the year wore on, freshmen joined voices to yell "Freshmen say—beat the Generals." They eagerly participated in organizations, learning that their vote counted too. They suffered through pep club initiation, groaned over DAT tests, and, proudly wore Spartan beanies.

Southeast Deca Students Have Hearts of Blue, Gold

Artesia Pennethy, standing, and other DECA members work diligently on preparation of the homecoming float, one of their many social activities besides State Contest projects.

DECA

Deca Members Strive to Serve Community

Charlotte Drinkard, Deca Sophomore Attendant, and Christine Drinkard, Junior Attendant were announced at the Northeast Football Game. The two girls are sisters.

Debbie Smith, Karen Williams, and Debbie Patton participate in DECA's entry to the float contest, homecoming night in the game against Northeast.

A student in DECA once wrote, "DECA students have hearts of blue and gold!" And this they must, for they eat, sleep, walk, and talk DECA the year around. The members of this club work hard starting in September and intend to find their rewards starting on March 2 and 3 at the state convention. Southeast's goal was to take first!

In September they sold beanie caps, spirit buttons and pennants. They also sponsored the Southeast-Grant football game on channel KWHP-FM in Edmond. A Thanksgiving Basket and a Christmas party for an orphans' home was sponsored by the DECA, and head of this committee was Sarah White, President of DECA.

Four and Five o'clock in the morning isn't an unusual time for DECA members to be up. At least once a month, and usually more, there is a breakfast held in which they discuss such things as College Day, which is sponsored by DECA at Southeast. Also they held the District Leadership conference in which seventeen other schools sent delegates.

Last March Darrell Ellison received the honor of being elected Editor Promotion Manager for the state of Oklahoma. Since then two local papers have been printed by Linda Duncan, Editor Promotion Manager for Southeast. Together Linda and Darrell put out the first state Newspaper.

Deca Queen Linda Duncan was announced on January 17, 1968 at a breakfast.

All of this and much more is done by Southeast DECA members and their coordinator Mr. Jimmy Koeniger.

Student Council

Student Council Sponsors Visitation Day

The Student Council began its 17th year at Southeast under sponsors, Mrs. Sharon Everhart, and Mr. Tony Rose. There were approximately 75 members this year, about 10 more members than were in the club last year. The purpose of the Student Council is to train students to participate in democracy and to be leading citizens of tomorrow. It also serves as the student's link to the administration.

Two of its members have received special recognition. Pat Taylor was elected secretary of the Mayor Youth Advisory and a Girls' State Senate Leader. Judy Hutchings was State District Student Council Treasurer, and she was also chosen for the OSU Leadership Conference.

The Student Council sponsored Howdy Week the first week of school. At a dance held at the end of the week, Mr. and Miss Howdy were crowned.

Student Council was in charge of organizing the float competition for the football homecoming. They also furnished a blue velvet cape for the queen. The Student Council also sponsored a Patriotism Week, a Toys for Tots basketball game between the senior girls and the women faculty, and a Santa Claus Post Office. During the spring, the Student Council sponsored a Twirp Week. On Monday the boys were auctioned off to the girls. Each boy was sold to the highest bidder.

Student Council officers this year were: Judy Hutchings—Pres.; Pat Taylor—V. Pres.; Cindy Rhodes—Sec.; Debbie Brown—Treas. Others are Jack Killingsworth, Stan Sutterfield, Debbie Roebuck, Jennifer Brown, Debbie Duncan, and Judy Garrett.

FBLA Leads Business World of Today

Officers Claudia Reaves, Treva Arnold, Susan Allen, Sue Goodman, Adela Soto, Madonna Clark, and Pam Tharp sell the book "Twenty Thousand Words" to Mr. Bell.

The 1967 National Convention of the Future Business Leaders of America and Phi Beta Lambda brought over 1200 members and sponsors to the San Francisco Hilton and Saint Francis Hotels in San Francisco on June 11-13. Activities included guest speakers, discussion groups, business sessions, events emphasizing the theme for 1967 "Careers in American Business—A Look Forward," and enthusiastic campaigning for national offices.

Officers of our Southeast chapter attended the state meeting in October at Stillwater on the Oklahoma State University campus. In January, a meeting was held to elect delegates for Mr. and Mrs. FBLA, an annual event.

Participation in national and state events was excellent. Judges and officials at the convention were pleased with the amount of competition and the quality of entries in each of the national events. There has been active participation throughout the year in events which were open to all FBLA members.

Southeast FBLA members sold the book, "Twenty Thousand Words" as a money raising project.

Sports Clubs

Sports Clubs Promote Good Sportsmanship

The Girls Sports Club is an organization set up to promote and improve girls' sports, to observe courtesy in both word and action, to uphold the "Athletic Creed of Honor," to promote good sportsmanship among all participants, and to observe the Christian and democratic ideas of competition.

This club is for girls who have participated in 80 per cent of an intramural sport. These girls sponsored dances and sold candy, popsicles, and caramel apples all through the 1968 school year in order to give a needy family a Christmas dinner with all the trimmings fitting for Christmas.

Mrs. Sue Curry sponsors this group.

In order to qualify for membership in the Boys' "O" Club a student must letter in one of the varsity sports offered at Southeast High School.

In some instances a boy may letter in the ninth grade and be a four-year letterman; however, most are three-year lettermen.

Approximately thirty-five athletes compose the club, the purpose of which is to unite the participants of different sports through one club.

Culminating the activities of the year is an "O" Club banquet in the spring.

Sparkets

Officers Plan Coming Year for Pep Club

Sparket officers are discussing the merit and demerit system.

The pep club grew to a membership of 325 this year, and the Sparket officers found they really had a big job on their hands. It was their responsibility to keep track of fines, demerits, merits, ribbon money, excuses, and receipts. All these things were kept recorded in books so any questions the girls might have could be answered. The officers found there were endless questions arising during the year, but they all had answers. The officers met to plan their new uniforms, pep club business, dances, elections, homecomings, and the Buddy Coronation.

In Sparket Pep Club History

Mrs. Susan Curry, head sponsor, explains the procedure of selling sweat shirts during a Tuesday meeting. Other sponsors not pictured are: Mrs. Phillips, Cunningham, Miss Anderson, Mrs. Maddy.

The pep club found itself under a new merit system this year and the girls adjusted very well. Those girls who wanted to run for an office or try out for cheerleader had to have a required 22 merits per semester. The club had such outside activities as ushering and working at the O.E.A. convention. This year's spring activity was a catered picnic with a band. The Buddy election always causes a lot of excitement, and this year was no exception. The election was held in January and everyone was kept in suspense until the announcement of Buddy in April. This year being a Sparket meant a lot more responsibility, but it made a better club.

Cheerleaders

Happiness Is Being

Another year has come and gone for Southeast's six cheerleaders. The '67-68 cheerleaders have put forth a lot of effort since their election last year. On April 7th the entire student body elected two All-School Cheerleaders to represent them. They were Cindy Rhodes, senior; and De De Ballard, junior. Four days later the four Sparket Cheerleaders were elected by the Sparket Pep Club. They were seniors, Linda Duncan, Nancy Townsend, and Melvonna Venter and junior, Mi Mi Quinton.

In addition to being capable cheerleaders these girls must possess leadership, compatibility, and friendliness. Throughout the year All-School Cheerleaders must maintain a 3.0 grade average while Sparket Cheerleaders must have a 2.5.

They must also have excessive energy and must constantly be in perpetual motion. Happiness is the key word to their high standards of leading the whole student body.

Since their election the girls have participated in many state as well as school activities. July 9 through the 15, Southeast Cheerleaders attended Cheerleading Clinic at Oklahoma University. They were proud to present to the school four 1st place ribbons and one Honorable Mention.

Following a thrilling football season packed with many exciting assemblies and activities the girls readied themselves for a one day Winter Cheerleading Clinic at Oklahoma University. At this clinic the girls obtained an Outstanding Award.

Band

Band Hopes for Superior Ratings at Contest

The '67-'68 Southeast Band attended the State Regional Marching Contest at Capital Hill Stadium and rated the high rating of Superior. After this they were invited to march at one of the Oklahoma City Plainsmen's Pro-football games. In the fall they marched at parades such as the State Fair, East Central State College Homecoming, and Southeast football half times. Last, but not least, for 1967 they were chosen to play for the premier showing of the motion picture "Young Americans" at a local theater.

The band started 1968 off with a clinic at Grant High School where Dr. Frederick Fennell, director of the famed Eastman Wind Ensemble, conducted the band in their contest numbers. In early February the band joined the choir in presenting to the student body a "pop concert" which contained all popular numbers. In March, the band attended district contest and then went on to State Contest at Norman. The band presented their final concert of the year, for the public in May which was their Spring Concert.

The blast of a whistle, twirling batons, and the sound of marching feet filled the air as the Drum Major, James Copeland, and Majorettes, Karen Taylor—Head, Paula Eischen, Enita Edwards, and Cheryl Keen led the band through many parades, half-time shows, and contests through the 1967-68 school year.

To be ready for various clinics at the University of Oklahoma, practice started early in the summer months and contests during the 1967-68 school year.

Their efforts have made Southeast High School proud of our Drum Major and Majorettes and of our Marching Band.

Karen Taylor served as Head Majorette. Other Majorettes were Paula Eischen, Enita Edwards, and Cheryl Keen.

Band Queen Karen Taylor was escorted by Drum Major James Copeland during halftime at the Southeast vs. Central game.

Thespians Raise \$500 for Viet Nam Soldiers

The Thespian Society was organized at Southeast for the benefit of those interested in dramatic arts and theater production.

Many of the members have represented Southeast High School in city, regional and state dramatic competitions. The Thespians joined the N.F.L. in building the first place float at the football homecoming. Also during the fall of 1966, Janice Hamilton won 1st state dramatic duet, Linda Suitor reached the finals on the same event, and David Brown reached finals at State Speech Competition in Men's Radio.

These talented students performed the play "Come Blow Your Horn" and succeeded in raising \$500 for the men in Viet Nam.

The Southeast chapter of High School Red Cross fulfilled its purpose of "serving the community and world" through numerous projects.

During the winter months Red Cross members sponsored a paperback book drive to send books to the soldiers in Viet Nam. Members also organized Christmas programs for Veterans' Hospital and a community rest home.

Attending meetings of the Oklahoma County High School Red Cross informed the Southeast members of county Red Cross happenings.

Representatives were sent to the annual Red Cross leadership workshop. Miss Anita Gill is sponsor for the members of the group composed from representatives of each homeroom.

Future Teachers of America

F.T.A. Offers Knowledge and Experience

Future Teachers of America was introduced to Southeast in 1954, as a local member of the National Education Association. F.T.A. is an active organization at Southeast and has grown considerably throughout its years.

It offers its members the opportunity to learn about teaching. F.T.A. shows its members the advantages, responsibilities, and the important role teaching plays in our democracy. The purpose of the F.T.A. is to foster activity cooperation among the F.T.A. clubs of Oklahoma, to learn about teachers' education institutions, certification requirements and standards.

Mrs. Hazel Carson began her third year as sponsor of the F.T.A. during 1967-68. This organization has benefited greatly by her leadership. She has acquainted many young people with the qualifications and responsibilities necessary for one entering the teaching profession.

Each spring the F.T.A. attends a state convention which was held at Oklahoma State University, Stillwater, Oklahoma this past spring. This convention lasts two days and enables F.T.A. clubs throughout the state to improve the standards of their individual club.

Mrs. Hazel Carson confers with President Paula Adams at a weekly meeting. Sheila Reich, Dana Pettigrew, Edna Davis, Cindi Daley, and Cindy Cale represented homerooms.

Art Club

Art Club Members Prepare for April Contests

Southeast was very fortunate to have such an outstanding art department this year. Art students prepared to go to art contests which are held at the end of each year. They were held at Edmond and Stillwater in the middle of April.

Projects ranged from every type of lamp and table, to ceramics and rugs. Most students who entered a piece at contest came back with a ribbon showing that they had placed.

Mosaics is one of the many different things that was

made. Karen Cox, Deanna Ballard, and Sandy Cantwell worked hard to finish theirs. Robert Yates and Jequetta Johnson made a bark design, and Brenda Phillips worked in the field of designing.

Denice Davidson and Debbie Betterton made beautiful pastel paintings and were proud to show their work off.

These are just a few of the many things that make up the fine department of art, headed by Mrs. Mary Nokes, at Southeast.

Karen Cox, Sandy Cantwell, Mike Williams, and Denice Davidson proudly displayed their projects that they took to state contests last spring. Stillwater, Oklahoma, holds the state contest each spring. Local contests are held in Edmond, Oklahoma. Both are attended by Southeast's art students that represent the school well.

Library-Projectionist Club Crowns King, Queen

Barbara Poindexter and Cindy Brower agree that a little help from Dickie Lane wouldn't hurt anything.

This year the Projectionist Club merged with the Library Club to form an organization of approximately thirty members.

Two main purposes of the Library Club was to stress social and cultural participation among club members.

A float was sponsored by the Library-Projectionist Club in the homecoming parade. Other activities the club took part in were a Christmas party, crowning of their royalty, and a banquet which was held in the spring.

The highlight of their events was the state convention. This convention was held at Oklahoma University, Norman, Oklahoma. This convention allowed members of Southeast's Library-Projectionist Club to become acquainted with members from other clubs throughout the state. It also provided information to improve the standards of each individual club.

Cindy Bower was crowned Queen of the Library-Projectionist club. Dickie Lane was crowned King.

The 1967-68 Spartan Yearbook was sponsored by Miss Grace Wingfield, who studied journalism at Central State College and completed her first year as a teacher at Southeast High School.

The hectic frustration of taking yearbook payments was a minor detail to the staff, along with laying out pages, writing copy, and proofreading to meet all four deadlines.

Editor, Carol Hobaugh, directed the fourteen staff members in completing their final deadline on March 1.

Spartan Shout Staff Attends OIPA Convention

Hours of work and fun were put into the monthly publication of our school newspaper, the SPARTAN SHOUT. This year's sponsor, Mrs. Dayna Bryant, and her 15 staff members not only edited and wrote the Shout, but they were also responsible for the distribution of the newspaper.

During the fall and spring, the staff members attended the OIPA meetings held at Oklahoma University.

Enita Edwards, one of the staff members, represented Southeast frequently as the Times for Teens editor on the Oklahoma City Times Newspaper. She interviewed such people as George Beverly Shea, Andy Williams, and Roger Miller.

Highlight for the newspaper staff was the annual newspaper assembly held on Oct. 31.

Debby Bigham, Jacqui Hightower, Linda Duncan, and Jacqui Pouder, work hard to write good articles so the Spartan Shout will be exciting and interesting to everyone.

Two Y-Teens Attend National Convention

Y-Teens, in its second year at Southeast, is an affiliate of YWCA. Its purpose is to build Girls into responsible adults mentally, physically and spiritually.

Under the direction of Mrs. Gwen Hisel the girls hold their regular meetings twice a month, where they plan their extra activities. This year members of the Y-Teens held a bake sale, ushered and in November and December attended a "Current Events" program and went Christmas caroling at a Convalescence home.

President Ginger Hoover and Vice President Brenda Hisel attended the 24th National YWCA Convention in Boston, Massachusetts. Member Jamie Hendrix attended the Oklahoma-Arkansas Conference with Ginger and Brenda in June of 1967. Melvonna Venter, Ginger Hoover and Brenda Hisel are charter members of the Y-Teen White Glove entertainment troop, which is a troop of thirteen girls that entertain at YWCA Programs. Ginger is Chairman of the Vespers of the 1968 Conference and President of the Inter-Club Council, and Brenda is the Secretary of the Inter-Club Council. They are also on the YWCA Youth Council.

Safety Council Attends National Convention

The National Safety Council Convention held in Springfield, Missouri this past summer was attended by Barbara Poindexter, president of Southeast's Safety Council, and Connie Towers, historian-reporter. The Convention was held at Missouri State College in Springfield, Missouri. Three days of various meetings were scheduled. The purpose of the national convention was to promote safety in our states, cities, and schools, and then to suggest methods of carrying out this safety.

Working to improve the safety standards in our school district is the main purpose of the safety council. Mr. James Griffin began his first year at Southeast as sponsor of the Safety Council.

Mr. Griffin previously taught in Pryor, Oklahoma. For 13 years he held the position of drivers education and American History teacher and supervisor of their Bus Safety Program.

The highlight in safety for second semester was Lieutenant Dan Combs of the State's Highway Patrol. Mr. Combs is known as the fastest gun in Oklahoma. He talked to the student body about safety and demonstrated with his various guns.

Honor Society

Honor Society Meets New Requirements, Resulting

The Honor Society is an organization in which the members are chosen by their scholastic ability. In order to become a member of the Honor Society the students must maintain a 3.4 grade average. This is the first year the Honor Society has participated as an actual club. The student members helped add by-laws to the constitution and on December 2, they also attended the State Honor Society Convention in Moore.

This year the membership grew to 113 students, as compared to the 93 members of last year. The initiation of new members was held in the boys' gym on March 14, to honor the first year honor students.

Serving as sponsors this year were Mrs. Mary Nokes and Mr. Denny Henry.

Fall Season Finds Spartans Frantic With

The hustle and bustle of preparations for a new year filled the fall months of the Spartan World. The year was started off by a howdy dance sponsored by the Student Council, then came the elections of class officers. Student earnings were spent at the State Fair. A big day was Friday, September 29th, with the Spartans' first football game with Holdenville. The anticipation of Mr. and Miss Spartan election results found the candidates in jitters. The crowning of football queen also added excitement at the beginning of the year. A Thanksgiving program was put on by our music department. College day brought the Spartans to the close of the fall season.

ANOTHER TOUCHDOWN!!!

Winter months blew warm memories for Spartans. Basketball and Wrestling began another turn in the Spartan World. After a long anxious wait the junior class rings arrived. Preceding this event came the grand opening of the Santa Claus post office. Kathy Scott and Tom Proctor were elected Mr. and Miss Santa Claus and were given trophies in the Christmas assembly presented by the music department. Following these exciting moments were the long hours of studying for semester exams, then the jittery moments before the appearance of the grade cards. The nervous minutes passed by while awaiting the announcement of the Student Council officers' election. The installation assembly put the newly elected officers off to a great start. There were many dances sponsored by various clubs. Debbie Roebuck was crowned wrestling queen. Excitement began as the boys were auctioned off for Twirp Week. Senior girls played the women faculty in the Toys for Tots game. It was won by seniors, 12-10. To end the winter season the valentine post office was opened so that secret admirers could send singing valentines to their Spartan sweethearts.

Spartans Stab Harding, 13-0

Fullback Joe Quinton goes in to score the first T.D. of the season.

Southeast VS McGuiness

The Spartans played Sept. 16, in the number one game in the state with a fine effort by both their offense and defense. The game was the hardest played game for players of both Southeast and McGuiness. The Spartans ran two kickoffs back for touchdowns, the Irish ran back one. The game was very close until the last minute of the game with a score of 26-20, when Southeast had a pass intercepted and ran back 99 yards for the score. This ended a hard fought game with many outstanding efforts by the Spartans. The final score read 34-20 against the Spartans.

Southeast VS Harding

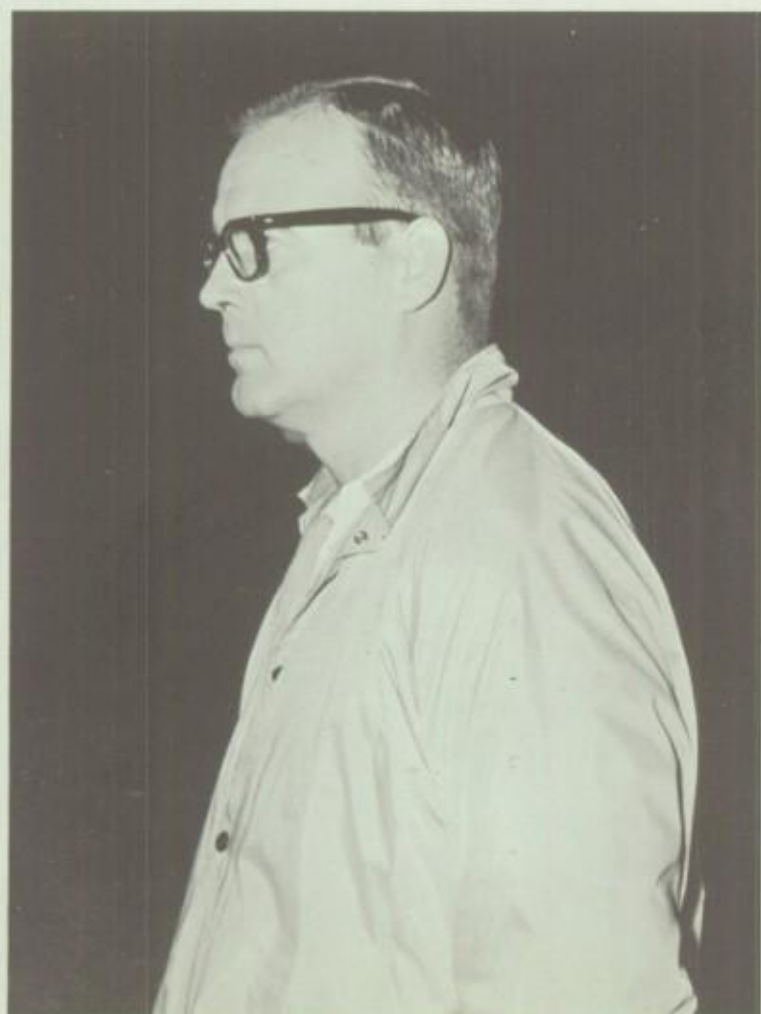

Southeast took their season opener against long time rival Harding for the first time in two years. The Spartan victory was credited to a hard charging offensive effort and an all-out defensive display. The Spartans scored first on a fifteen yard run by fullback Joe Quinton. The second touchdown of the night came on a pass from Jimmy Porter to halfback Mike Riley. Southeast won the game 13-0.

Mike Riley (20) finds running hard in the Star Spencer game.

Southeast VS Star Spencer

Southeast met Star Spencer with a strong defensive game that kept four fumbles and three interceptions from becoming Bobcat scores. The defensive unit led by Dean Bard, Steve Jarnigan and Bill LeBlanc stopped a threatening Bobcat drive on the Spartan 11 yard line with a fumble recovery that stopped the last Bobcat drive. The first Spartan touchdown was scored by Joe Quinton on an 11 yard run in the second period to tie the score 7-7. The second Spartan touchdown came on a five yard run by Quarterback Jimmy Porter. The final score with only 7:39 remaining in the game to give the Spartans a 20-13 lead. The final touchdown was a 26 yard pass from Jimmy Porter to Mike Riley. Southeast won the game 20-15.

Southeast VS Holdenville

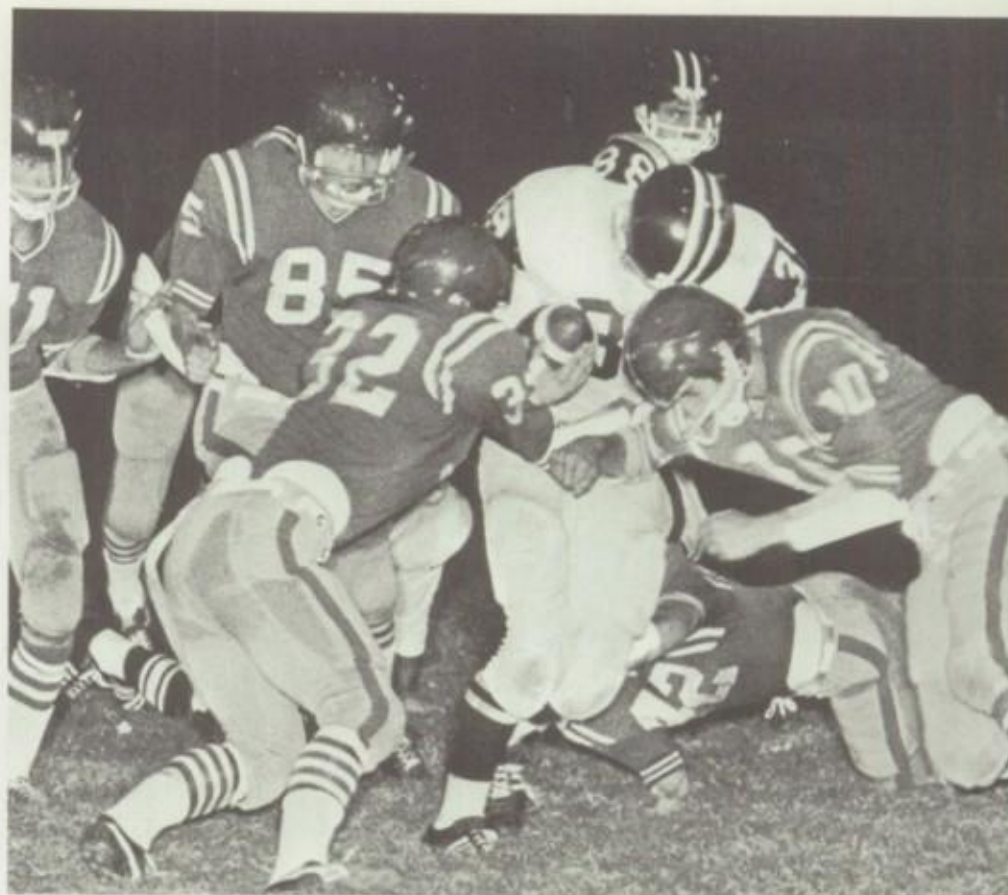

Southeast defense had a hard night containing Holdenville fullback Bruce Brown, who scored the first touchdown of the game on a 41 yard run. The Spartan offense came back to march 70 yards to take the lead on an eight yard run by Steve Jarnigan. The game ended with Holdenville ahead 14-7, but the Spartans were on the Wolves' 12 yard line when time ran out.

Southeast VS Tulsa Kelly

Tulsa scored early on a pass interception and added two more first half scores to lead at the half 21-0. Southeast's defense held Tulsa scoreless in the second half. Tom Proctor set up the only Spartan touchdown with a key fumble recovery on the Kelly 40 yard line. Sophomore Darrell Porter then threw a forty-yard touchdown pass to Mike Riley. The Spartans also lost an important player, guard Jr. Scott suffered an injury that kept him out the rest of the season. Southeast lost the game 21-7.

Southeast VS Del City

Del City took the opening kickoff and went 60 yards to score in this game. Del City scored 28 points in the first half to the Spartan three, on a Jimmy Porter field goal. Jay Reagan gave the Spartans a wonderful opportunity to score in the opening minutes of the second half with a fumble recovery on the Del City 18 yard line. Southeast scored early in the second half on a Porter to Riley touchdown pass.

Southeast shows strong defense in the Star Spencer game led by Allen Ellis (32) and Darryl Porter (10).

The final Spartan score came on an interception by John Osban at the Classen 30. Don Cash scored the winning touchdown on a six yard run over right tackle to give the Spartans a 14-6 victory.

Southeast VS Northeast

With a troublesome offense that fumbled four times and gave the Vikings two touchdowns, Southeast lost the game 16-7. The only Spartan touchdown came on an eight yard run by Mike Riley. The extra point kicked by Jimmy Porter made it 7.

Southeast VS Grant

The Grant game saw Southeast plagued with bad luck throughout the game. Twice the Spartans were stopped on interceptions, three times by fumbles, and twice by penalties. Only a strong defensive effort held the Generals to only one touchdown. Southeast lost the game 8-0.

Football "B" squad members are, Row 1: Raper, Kennedy, Dodson, Robertson, K. Roberts, Klien, Vinson. Row 2: Smythe, Holmes, Licklighter, Bate-man, Ferguson, Haragan, Barton, Coker, Goddard, Daley, Miller (Coach). Row 3: Osban, Wilkerson, Brasher, Killingsworth, G. Roberts, Johnson, Begley, Price.

Head for AA Playoffs

Central VS Southeast

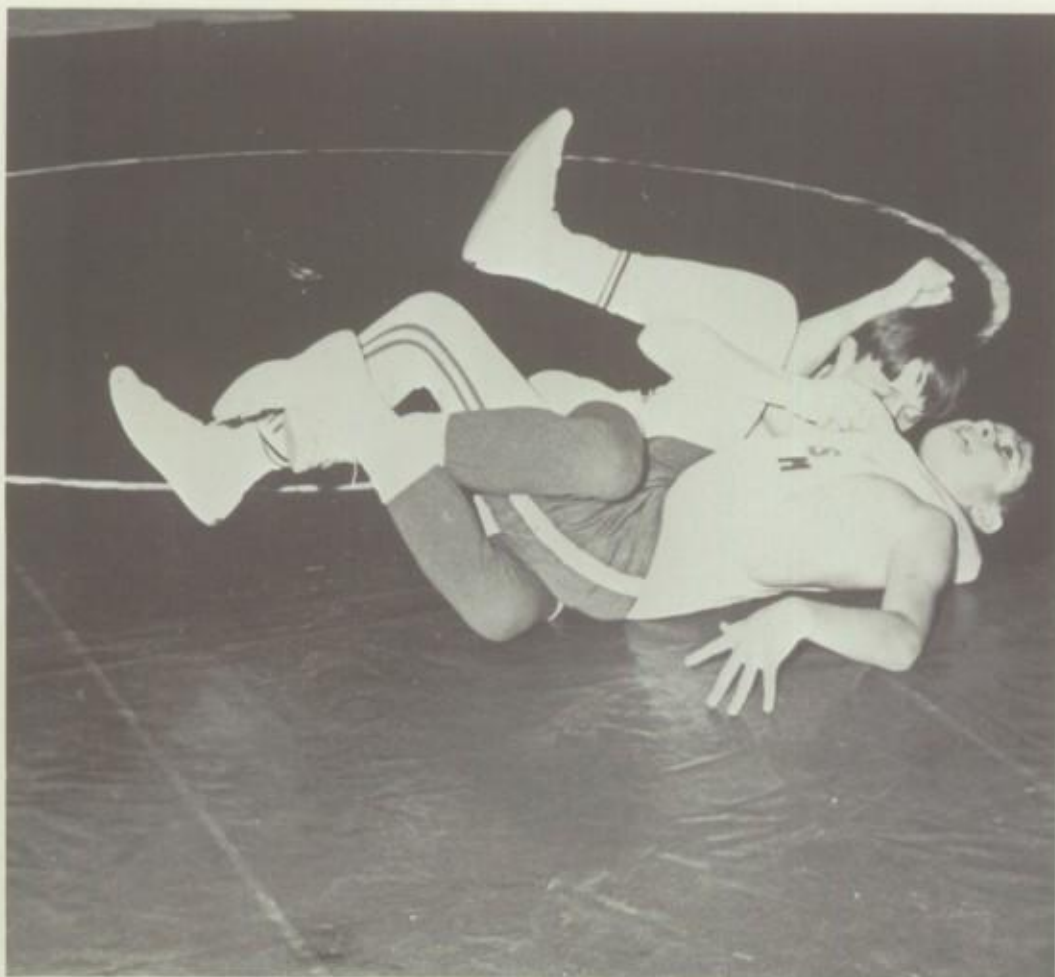

Southeast won a berth in 2-AA playoffs with a 27-8 triumph over the Central Cardinals. The Spartans showed a powerful defense led by Don Davis and John Osban, holding Central off until the last quarter. Central found itself behind the Spartans all the way with scores for the Spartans coming in the second, third, and fourth quarters. The first score of the night was a 29 yard pass to Mike Riley. Close behind was Don Cash with a 43 yard scamper to pay dirt. Next was Jim Porter on a two yard run and Joe Quinton on a one yard run. Southeast ended its regular season with a fine show of offensive and defensive skill.

Southeast VS Stillwater

Southeast met the Pioneers in the District 2-AA playoffs at Capitol Hill Stadium. The Spartans had many sustained drives, but were stopped short of the goal line by a fumble, an intercepted pass and two penalties. Southeast suffered the loss of a key player in the second quarter, tackle Tom Proctor. Stillwater scored first on a three yard run. Southeast came back with a field goal. The score at this point was 6 to 3 until the last two and one-half minutes of the game when Stillwater scored again to make the final score 14 to 3. This ended the season for the Spartans with many outstanding efforts by Southeast Players.

Halfback Don Cash (40) is on his way to a long gain against the Cardinals.

Robert Hopper, 106 pounder, pins his opponent in the Homecoming match against St. Mary's.

Train Under New Coach

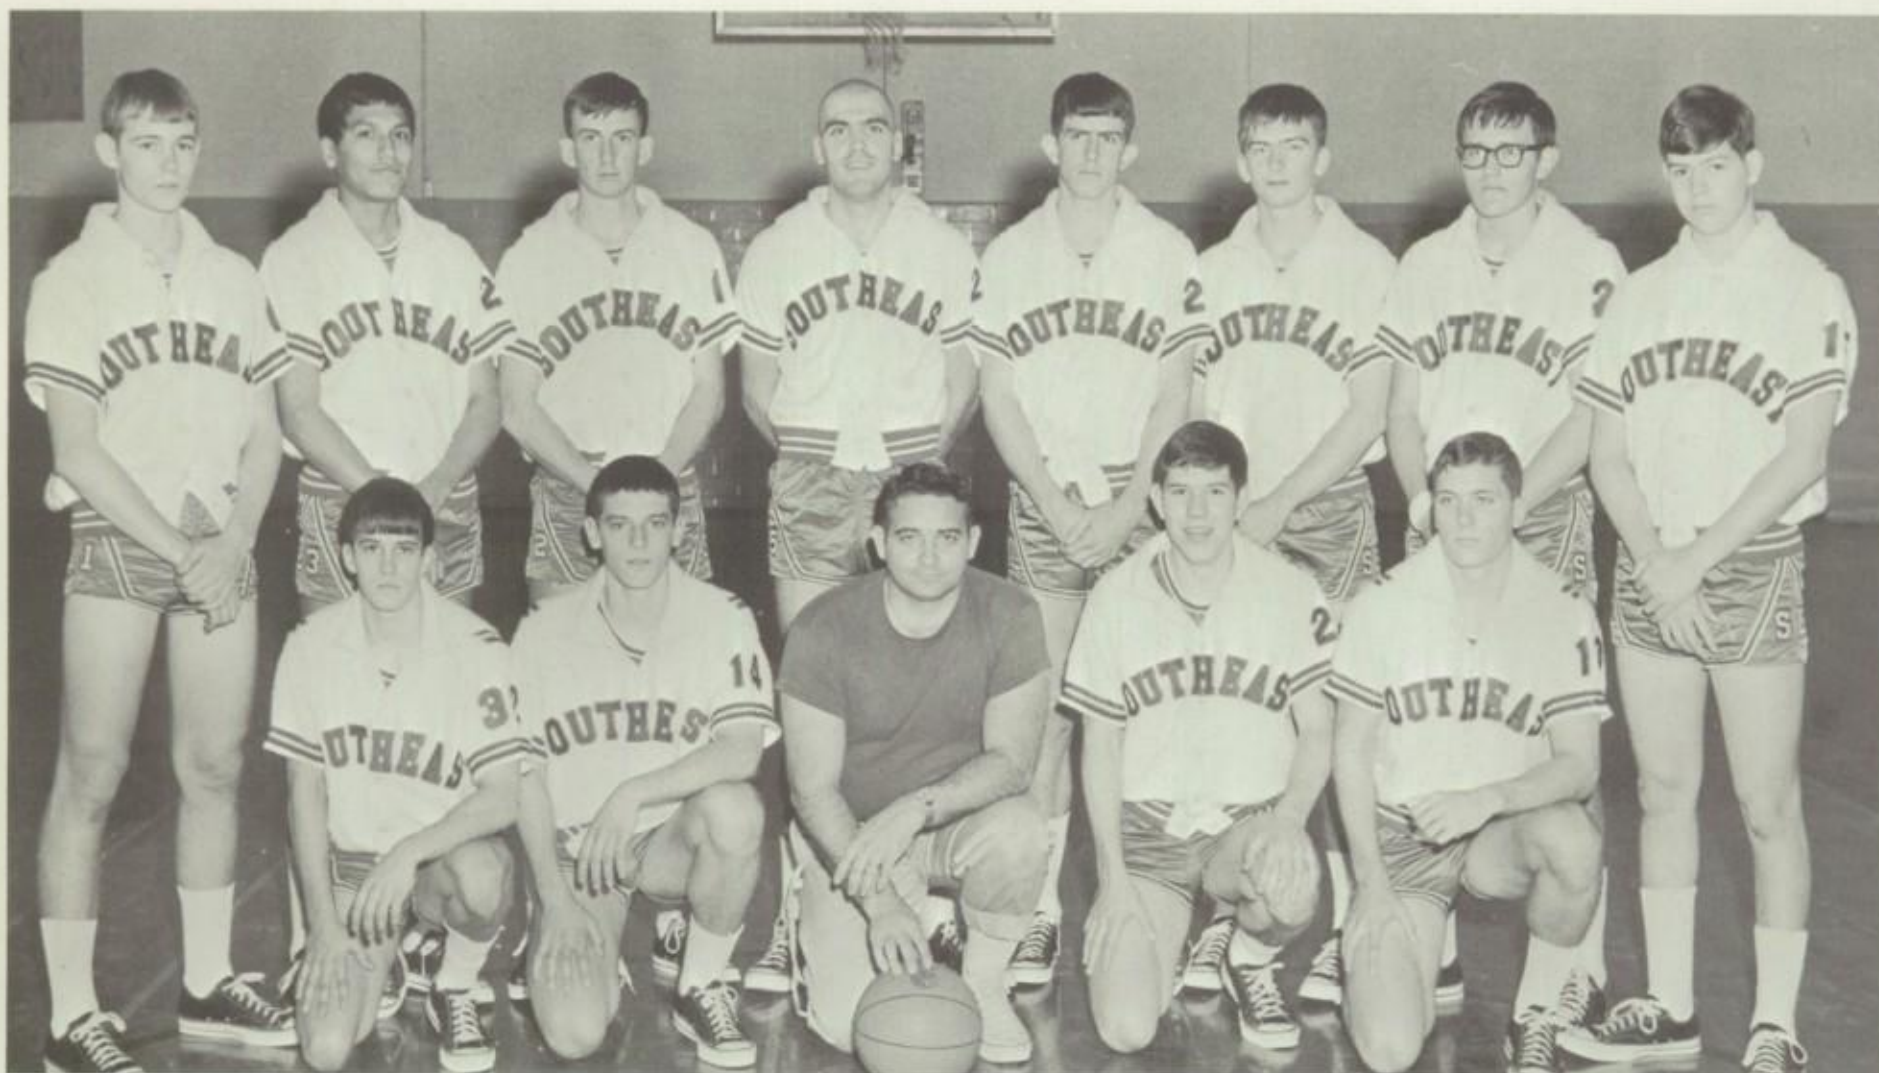

The Southeast wrestling team, under the leadership of Coach Macias, made a strong showing at all matches and tournaments. The Spartans lost only one dual and tied another. The loss was to Del City and the tie with Northwest. All other opponents fell under the constant aggressiveness of the Spartan matmen. The men that led the team were captains Jim Briscoe and Bill Nation. Both boys had a fine record of wins and very few losses. "The 1967-68 team was a building team, that will be put to more fine efforts in the future," according to Coach Macias. Beginning his first year as wrestling coach at Southeast, Tony Macias gained a fine record that any coach would be proud to have.

And God stepped out on space,
And He looked around and said
"I've made the light and I've made the dark,
I've made the sun and I've made the moon,
I've made the stars and I've made the world."
And He saw that it was good,
And He said "Let there be light."
And He said "Let there be light."
Blacker than a hundred midnights
Down in a cypress swamp.

Then God smiled,
And the light broke,
And the darkness rolled up on
one side,
And the light stood shining
on the other,
And God said "That's good!"
